2005 COMMUNITY: Temenos Books Project Exhibition

The Royal Tropical Museum, Amsterdam, The Netherlands

The Temenos Books is a community arts project co-created by Cami Davis and Sally Linder introducing over 20,000 participants from four continents to the Earth Charter, an international document for global ethics and sustainable development. www.earthcharter.org. The *Temenos Books* travel in the *Ark of Hope* designed and painted by Sally Linder www.arkofhope.org.

During the Earth Charter +5 event, the *Ark of Hope* and *Temenos Books* were on exhibit at the Royal Tropical Museum after a three month tour of The Netherlands where 8000 elementary and secondary students participated in the *Temenos Books Project* culminating in a ceremony to honor **Queen Beatrix's** 25 years on the throne. Twenty-five of the best student images were chosen to go into a book cover made by the queen and gifted to the Ark of Hope as a symbol of the Dutch government's support of the Earth Charter. www.arkofhope.org and www.earthcharter.org
